As Wear-Proof as the Hide on the Cow's Back

Millions of shoes that are sold are not solid leather—they are made of cheap subterfuges.

Every time you buy a pair of such shoes you lose money. "BATTLE AXE" Shoes are made of real, live, lasting leather that wears like the hide on the cow's back.

So you save money every time you buy "BATTLE AXE" Shoes. Every shoe that bears the "BATTLE AXE" trade-mark is a good shoe. The inside is right as well as the outside.

We want you to come in and let us show you the "BATTLE AXE" line of shoes. You will find the very thing you want for yourself and family. Prices are money-savers.

Vars are won with metal-save it. Iron and steel are needed for tanks, guns, ammunition, ships, railroads, etc. Folks at home must save iron and steel to help win the war. Use the old range until after the war. Make your old range do a little longer by having it repaired. If it's past repairing, then the next best step is to buy the range that saves fuel, feed and repairs. The Majestic's heattight riveting prevents fuel waste; its perfect baking prevents food waste, and its unbreakable mallcable iron and rust-resisting charcoal iron make repairs a rare need. MUNCY BROS. Caution: If your Majestic needs new parts, get them from us. We will supply you with genuine Majestic materials mut light, infector parts, made by scatters.

Caring for Baby **During Hot Spells**

Be watchful of food and keep bowels open with Dr. Caldwell's Syrup Pepsin

THE young mother soon learns from experience that summer days are often days that try her patience. The heat makes baby peevish, restless and cross. Foods that in colder weather were ensity digested, now seem to cause distress.

Whether the milk or the gruel is at fault, sen that the bowels move regularly. There is nothing that creates greater discomfort in the summer than constipation. It heats the blood and causes nervousness, headache, fever, colds and a host of minor ills. In these little ailments it is always well to suspect constitution and live bull a tea-spoonful of fir. Caldweb's Syrup Pepsia. It is a combination of simple laxative herbs with pepsin, and fac most ide medicine you can give a baby. It is mild and gentic in action, never gripes

Millions of people of all ages suffer from occasional er chronic consupation. Let them send name and address to Dr. W. B. Caldwell, 512 Washington Street, Monticello, Ill, for a free sample bottle of his wonderful Syrup Pepsin. **8** million bottles were bought at drug stores last year, the largest sale in the world

and economic changes.

Their purchase is a confidential mat-

weeps which constituted a very clumsy and inefficient method of drawing water from the well. Later came the old wooden hand pump which wasn't much better, and later still the iron pump and the wind mill. This last was the first application of power other than human to pumping that best of modern servants, elecof water. On a great many Amercan farms all of these older methods have been supplanted by the automatic electric pump which works silently and efficiently 24 hours in the

buckets placed on the end of long from which it runs to faucets all over the house and barn. When a certain amount of water is drawn out of the tank the pump starts automatically and pumps in more water until the rising pressure stops it. Thus finally the whole matter of water supply has been taken off of the farmer's mind and turned over to tricity.

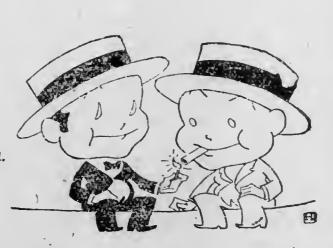

> And, of course, the same electricity which does the pumping, lights the house, dees the milking, the sweeping the washing, the churning, the separating and a hundred other farm
